Builders of luxury leisure products for over 30 years

Looks good, and easy to maintain

Standard equipment

- ☐ Double glazed tinted opening side windows.
- ☐ Fully insulated lining.
- ☐ Rear stable door.
- ☐ Twin hob/grill. ☐ Sink/Drainer ☐ Cup & Plate racks.
- ☐ Fold down splashguards/worktops/backrests.
- ☐ Exterior gas locker.
- ☐ Electric pump, feeding from integral water tank.
- ☐ Skylight with flyscreen. ☐ Table.
- ☐ Twin reading/bedside lights.
- ☐ Fluorescent striplight.
- ☐ Cushions, curtains and carpet in choice of co-ordinated colours with combustion modified foam infill.
- ☐ Rear corner steadies.

Specification

The Citroën-Romahome is based on the C15, available with a number of engine options:

Engine: 4-cylinder in line, C15E (petrol) 1124 cc
 C15 Super (petrol) 1360cc, C15D (diesel) 1769 cc

Gearbox: Manual, 4-speed synchromesh and 5-speed synchromesh options.

Brakes: Servo-assisted self-adjusting front discs, self adjusting rear drums.

Fuel Capacity: 47 litres (10.3 gallons).

Dimensions: Length (15'7"). Overall height (7'7"). Overall width (5'4 1/2").

The manufacturers obviously have an eye to the future with their extensive use of GRP – they are among the forerunners in the motor caravan industry regarding this.

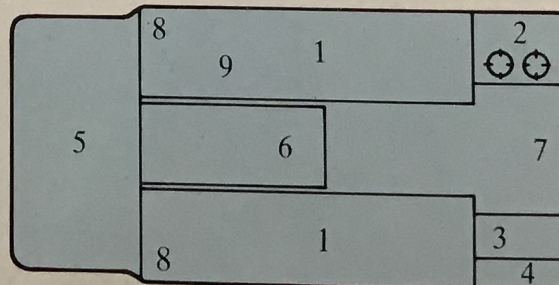

MOTOR CARAVAN MAGAZINE

Optional equipment

- ☐ Gas/12v or mains Electrolux fridge.
- ☐ Solar powered vent.
- ☐ Chemical toilet ☐ Fire extinguisher/security package.
- ☐ Catalytic heater. ☐ Overhead double bunk.

CITROËN

Generous room to lounge in comfort

The galley is complete with two burner hob and grill, sink and drainer, fed by electric pump from the integral water tank, and ample cupboard space. Gas is supplied from a self contained locker. Two fold down splashguards act as worktops to give plenty of space for the cook. When not in use they also act as useful backrests for those of you who like to put your feet up whilst watching television.

The twin berths, fitted with comfortable seating for as many as six adults, may be used either as they are or easily pulled together to form a large double, the choice is yours. Upholstery is in a comfortable hard wearing fabric in a choice of colours with combustion modified foam infills. The space under the berths provides ample storage which, together with the large luton, pocket pelmets (for your books etc.) and the deep hanging wardrobe (for that special occasion) gives you true independence. Indeed, some of our owners live in their ROMAHOMES for six months or more at a time, travelling through Europe, Morocco, Egypt and even as far as India, Sudan and the USA, whilst we suffer at home with the English winters.

More than adequate lighting is provided from twin berth lights/reading lamps and an overhead striplight in the galley. The hard wearing luxury carpet is fully washable.

Optional extras include refrigerator, solar powered vent, fire extinguisher, chemical toilet, and an overhead double bunk providing even more accommodation. There is the choice of an awning, which may be used free standing or coupled to your ROMAHOME, and a free standing toilet tent.

There is a very active owners' club for those of you who like to meet and swap stories, ideas, etc.

The CITROEN-ROMAHOME may be purchased at a price little more than that of a decent family car, yet giving you a true dual purpose vehicle and the ability to have holidays when and where you choose, all at a reasonable cost.

If we haven't convinced you how good the CITROEN-ROMAHOME is, ask an owner – they will!

Performance that sparkles
