This leaflet is to show you all of the motorcaravans that we currently offer, it is a brief overview. Please study the various conversions, when you have decided which one(s) most suit your requirements simply give us a ring on 01277 372241 and we will send full details to you by first class post. Our conversions are built to order with great care and attention to detail. We are happy to take cars in part exchange.

WHEELHOME 'MATTINESTE' ON FORD COURIER

The Mattineste has been designed for a single person who wants a safe and comfortable camper that can also function as a small, easy to drive and park, economical, four seater car. With the optional elevating roof down the Mattineste is only 6'1" high. There is a dedicated cupboard for a Porta Potti, and all facilities remain accessible even when the bed is in use. The bed is 6'1" long x 2'1" wide and is flat and very comfortable.

Single berth, Hob, Grill, Sink/ Drainer, Fully trimmed interior, Two fluorescent lights, 10 litres of water storage. Key optional extras: Elevating roof, Forward facing rear seat facility inc. two inertia reel seat belts. Power assisted steering, Mains hook-up. DIMENSIONS: 13'4" long x 5'11" high x 5'5" wide.

TOTAL COST OF VEHICLE AND CONVERSION; £14,995 inc. V.A.T.

WHEELHOME 'CENTURY' ON CITROEN BERLINGO

The Century is a comfortable, compact, two berth camper and a four seater car, all with three-point inertia reel seat belts. The rear seat boxes are made of steel, covered in carpet, and along with the furniture units can quickly be removed to facilitate load carrying.

The Century has two single beds each 6'1" long x 2'0" wide, they are flat and quick to set up. All facilities remain accessible even when the beds are in use.

Key standard features:
Elevating roof with storage compartment within!
Stainless steel hob/grill.

Sink and drainer. Fully trimmed interior. Two fluorescent lights. 10 litres of water storage. 1.8 ltr Diesel engine. Drivers air bag, etc etc.
Key optional extras: Refrigerator. Mains hook-up. Full water system. Power steering. Double bed. DIMENSIONS: 13'6" long x 5'8" wide x 6'1" high.

TOTAL COST OF VEHICLE AND CONVERSION £16,565.00 inc. V.A.T.

The Century can be built on the Peugeot Partner where a 1.4 ltr petrol engine is available.

WHEELHOME 'OCCASIONAL' CAMPER ON FORD GALAXY M.P.V.

The Occasional camper is ideal for people who want to go out for the day picnicking, or maybe spend a couple of nights away with simple facilities.

Key standard features: Ford Galaxy M.P.V. with a 2.0 ltr petrol engine. Central door locking. Power steering. Fixed roof. One kitchen unit housing: 10 litre water storage. Stainless steel hob/grill, sink and drainer. Two single beds 6'1" x 2'0" (or one double).

5.6, or 7 Galaxy seats which are quickly removed to allow the camping interior to be fitted.

One fluorescent light.
Key optional extras:
Three types of Elevating

roof. 2.3 ltr or 2.8 ltr petrol engine. 1.9 ltr turbo diesel.
Air conditioning. Anti lock brakes. Metallic paint. Automatic.

**TOTAL COST OF CAR AND CONVERSION;
£21,995.00 inc. V.A.T.**

DIMENSIONS:
15'2" long x 5'11" wide x 5'8" high.
If you decide to have one of the elevating roofs fitted then the height is 5'11" for the low profile and 6'3" for the deep roof, so height barriers are no problem.

WHEELHOME

REF.MARCH 1999

WHEELHOME 'DANESTE II' ON NISSAN VANETTE 'E'

The 'Daneste II' is based on the Nissan Vanette 'E', (this is the van version of the Serena M.P.V.) it is powered by a 2.3 ltr diesel engine.

The 'Daneste II' has excellent driving characteristics, visibility, and refinement, plus all the advantages that a compact Wheelhome Motorcaravan can offer, practical and comfortable living accommodation for two people whilst holidaying and up to five forward

facing seats with belts (four lap and diagonal, one lap) for daily use as a car. At only 6'2" high the 'Daneste II' easily fits into most garages! Key standard features: Elevating roof colour matched to vehicle with storage within. Power steering. Remote control Central door locking. Engine immobiliser. Full water system. Two single beds 6'2" long x 2'0" wide. Key optional extras: Air conditioning. Metallic paint. Mains hook-up. Double bed. Water heater. Auxiliary battery. DIMENSIONS: 14'2" long x 5'7" wide x 6'2" high.

TOTAL COST OF VEHICLE AND CONVERSION £20,225.00 inc. V.A.T. and all on the road charges.

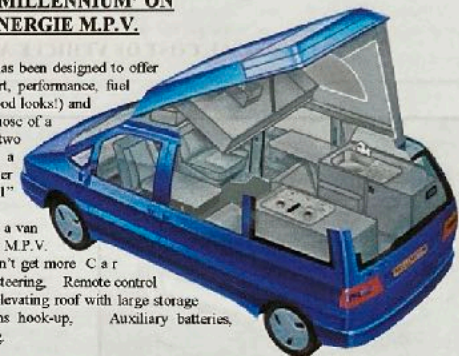

WHEELHOME 'MILLENNIUM' ON CITROEN SYNERGIE M.P.V.

The 'Millennium' conversion has been designed to offer true car characteristics (comfort, performance, fuel economy and of course those good looks!) and combine these attributes with those of a Motorcaravan. The result is a two berth camper complete with a fridge, hob, sink etc, and either two single beds 6'1" long x 2'1" wide, or a double, 6'1" x 4'2". The base vehicle however is not a van as is normally the case, but an M.P.V.

(rather like an upright estate car) in this case a Citroen Synergie. REMEMBER: 'you can't get more Car like than a car!' Key standard features: 2.0 ltr petrol engine (123 bhp) Power steering. Remote control central door locking. Electric front windows. Drivers air bag. Colour matched elevating roof with large storage compartments within. A very special easy to use compressor fridge. Mains hook-up. Auxiliary batteries. Key optional extras: 1.9 ltr Turbo diesel engine. Anti-lock brakes. Air conditioning. DIMENSIONS: 14'7 1/2" Long X 6'0" wide x 6'3" high.

TOTAL COST OF CAR AND CONVERSION; £25,770 inc. V.A.T.

WHEELHOME 'MILLENNIUM' ON FORD GALAXY M.P.V.

Most of the Synergie above applies here except that the base vehicle is the Ford Galaxy M.P.V. this car has some useful and interesting features either as standard or optional.

Key standard features:
G.I.X. model
20 ltr petrol engine.

Air conditioning. Central door locking. Electric front windows. Drivers air bag. Power steering. Colour matched elevating roof with storage compartments within. Two single beds 6'1" long x 2'0" wide or a double 6'1" x 4'0". Rotating front seats. Special easy to use compressor fridge. 7 Gallon water tank and full water system. Hob, sink etc. Removable furniture and seats allowing the original seats to be refitted. Proper seat belts to all seats, max 6. Key optional extras: 2.3 ltr petrol engine (145 bhp). 2.8 ltr petrol engine (178 bhp). 1.9 ltr turbo diesel engine (90 bhp). Automatic gearbox. DIMENSIONS: 15'2" long x 5'11" wide x 5'11" high with low profile roof. (The deep roof is 6'3" high)

TOTAL COST OF CAR AND CONVERSION £27,960.00 inc V.A.T.

PLEASE NOTE

This is a brief overview of our Motorcaravan conversions, we cannot include full specifications here, therefore if there is something that you want that isn't mentioned it may well be available. PLEASE ASK US, OR REQUEST FULL DETAILS.
